The Dicla Claire is a compact stove that excels in smaller spaces. Setting standards in quality, it effortlessly outperforms competing small stoves. Its simple profile and expansive viewing glass suits any style of home and its airtight design guarantees safety without excessive room ventilation. Enjoy a tranquil atmosphere with silent, natural convection heating. Thanks to the ceramic ignition element, start-ups are swift and reliable.

KEY FEATURES

- Airtight stove - no separate room vent required
- Natural convection for near-complete silence
- Large, powerful motors
- Control by room temperature or power level
- Multiple safety sensors and alarms
- Rear or top flue outlet
- PC connection for advanced diagnostics
- Ambient fan for heat circulation (optional)
- Heavy steel and components for long life
- Full technical aftersales & maintenance
- 7-year warranty *
- Maintenance contract available

* Subject to a maintenance contract, otherwise standard 2 year warranty applies
