Ø 80mm

120kg

The Cordoba 12D is a stunning, modern and well-equipped insert ducted air stove. Easily duct heat to another room via the spigot on the rear of the stove. It monitors and self-adjusts the pellet feed and air supply, depending on the location conditions at any given time. Wi-fi and internet control allow remote log-in by a technician. The aluminium, finned heat exchanger ensures optimum efficiency..

KEY FEATURES

- Self-regulating: auto-adjusts to chimney & fuel
- Wi-fi/smartphone control & remote diagnostics
- Control by room temperature or power level
- Large viewing glass
- Multiple safety sensors and alarms
- One ducted air outlet, max. 7 metres
- Vacuum cleaning system
- Easy pellet loading
- Eco-silence mode
- Full technical aftersales & maintenance
- 5-year warranty *
- Maintenance contract available

* Subject to a maintenance contract, otherwise standard 2 year warranty applies
